"Ouija! What's the good word?"

MY YOUNG sister,
HAS A Ouija board.
AND SHE believes it.
AND TALKS to Noah.
AND I think she talks
TO HER best fellow.
WHO'S DEAD but doesn't know it,
AND I used to give her,
THE LOUD, rude laugh.
BUT I'M sorry now,
BECAUSE LAST night,
I WAS home alone.
SO I got the board,
AND PUT in a call
FOR JOHN Barleycorn.
AND OTHER departed spirits,
BUT THE line was busy.
FOR NOTHING happened.
THEN I cheated a little,
AND IT spelled this,
"GRAMMASHOTTA SEVEN."

SO I shut off quick,
TO HEAD off any,
FURTHER FAMILY scandal,
THEN I stopped to smoke,
A CIGARETTE.
AND AFTER a while,
I CRANKED up weejee,
AND ALL of a sudden,
IT STARTED off.
AND QUICK as a flash,
IT SAID something,
"THEY SATISFY."

"SATISFY"—that's the good word. Just light up a Chesterfield and see what experts can do with fine Turkish and Domestic tobaccos when they blend them in that can't-be-copied Chesterfield way. You'll say "they satisfy."

Did you know about the Chesterfield package of 10?

AMERICAN LEGION SENDS PARTY TO FRANCE

Gen. L. D. Tyson, of Knoxville, who commanded the Fifty-ninth brigade, will represent the department of Tennessee in the official party to be sent to France this fall by the American Legion upon invitation of the French government. The Department is allowed three representatives but to date Gen. Tyson is the only Tennessee Legionnaire to declare his intention of making the trip.

The official party, headed by Franklin D'Olivier, past national commander of the American Legion, will sail from New York August 3, aboard the George Washington. The trip will extend over a period of 39 days and while in France the party will be the guest of the French government. Individuals must bear their own expenses which will approximate \$775.

In making the trip as representative of the Tennessee department, American Legion, Gen. Tyson will have a two-fold purpose. He was instructed by resolution adopted by the recent legislature to mark the point where the Thirtieth or Old Hickory division first broke the Hindenburg line, an appropriation being made to cover the expense of a handsome marker. He was also charged with the duty of supplying the state historian, John Trotwood Moore, with a complete account of the exploit in order that a history of the feat might be compiled for preservation in the state archives.

BUSINESS IS WAKING UP

That there is a healthy awakening of the business of the country as a whole there can be no kind of doubt. One of the strongest possible evidences of this is that the report of idle freight cars shows that the number is growing less each week.

As freight cars to move business and business cannot move without them hence as the idle freight cars grow less business is bound to increase.
